

Harem trousers /sweatpants

fabric: cotton jersey
sizes: S, M, L
skills level: beginner

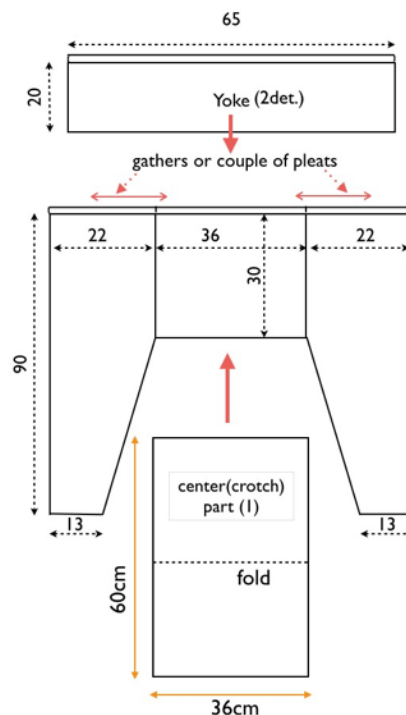

EWST fashionlab

Quick sewing project for "beginner" level. Our version of harem trousers - a low crotch baggy pants tapered at the ankle. Waist is fitted with drawstring.

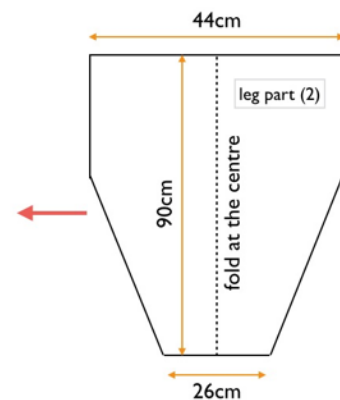

You will need knitted jersey cotton fabric in one or two colours. Adjust your sewing machine for zig-zag stitching or use overlock (serger) for connecting the details.

You do not need to make paper patterns, use the given diagram and draw the patterns straight onto the fabric. Sizes: S,M,L.

Hope you enjoy your work! It will take just few hours to finish!

Harem trousers /sweatpants Patterns

Note: patterns contain
1cm seam allowance
